

## Office Closed to Walk-in Visits

---

In response to the COVID-19 pandemic, we remain closed to walk-in visits. This will help prevent the possible transmission of the disease among our retirees, participants and staff. If you are contacted by our staff to obtain documentation, we intend to employ the recommendations of public health officials and institute preventive procedures which may include, but not be limited to, the requirements to wear face masks, social distance and submit to temperature readings. We appreciate your cooperation in this regard and apologize for any inconvenience.

Additionally, all Workshop sessions provided by the Retirement Trust are postponed until further notice.

Retirement Trust staff will continue to provide general services to our participants and retirees via email, standard mail and telephone under modified hours.
